Subject: Scheme No. 3(c) under the five year plan for promotion of Hindi particularly in the non-Hindi speaking areas.

Letter No. 7.2.16/54-H.4 dated 20.9.54 from the
G. of I. Ministry of Education.

Under Scheme 3(c), it has been proposed to the G. of I. to open a Hindi Department for the Basic Training College of Scheme No. I for promotion of Hindi particularly in the non-Hindi speaking areas.

speaking areas.
In the pnc. the E. g. wants to know ^{in this connection} whether the Govt. propose to formulate any proposals for implementation during 1954-55 and 1955-56 and if any, may be furnished to the E. of S. for consideration. It is also stated that subject to availability of funds, it has been decided to contribute not more than 66% of the approved (by the Central Govt.) expenditure on the scheme of the State Govt for promotion of Hindi during 1954-55 and during 1955-56. The rate of contribution will be 50%. The following are the staff ^{required} ~~needed~~ in High Schools and Middle Schools in this State for promotion of Hindi:-

<u>49 Govt. Middle schools.</u>	B/7. 9,000.
49 Hindi teachers in the Scale of Rs 50-100.	29,400.
<u>Govt. College. Meerana.</u>	
One ^{Professor} ~~Professor~~ in the Scale of Rs 250-700.	3,360.
	36,500.
D. A. for all.	
Library for the College.	2,000.
Grant to Cong. Hindi Prachar Sabha to teach Hindi to the Public.	1,000.
Pay of Hindi teachers in Cooperative Mahila Samaj	6,920.
	<u>87,980</u>

Rs. 87,980/- is the approved estimated expenditure for the promotion of Hindi in the State for the years 1954-55 and to furnish equip every Govt. High School and Middle School with a good library in Hindi a non-recurring expenditure of Rs 50,000/- may be necessary during 1954-55. By raising the grant made to the Cong. Hindi Prachar Sabha to Rs 4,000/- or 5,000/- a year, it may perhaps be possible for the promotion of Hindi among Govt. Officials and public all over the State. In all a sum of Rs 92,000/- as recurring and Rs 50,000/- as non-recurring expenditure may perhaps be required during 1954-55. and Rs 93,000/- as recurring (including

The State Government has entertained teachers in the High Schools and Middle Schools and we have been paying adequately according to their standards. Hindi is one of the subjects in the S.S.L.C., examination. This Department is of opinion that this State should be satisfied with this, because the Government of India grant will be 60 per cent during this year and 50 per cent during the next year. Afterwards the whole expenditure will have to be met ~~out~~ by this State Government and if we appoint teachers in the Graduate scales (i.e., B.O.Ls) it will be impossible for this State to maintain them after the Government of India ceases to give any grant. We can make Hindi as compulsory for the Common Entrance Examination also. This will go a long way in the promotion of Hindi, in Coorg.

6

In Madras, the Pandits are paid Rs. 45-3-60-2-90 (without Oriental titles), but here we are ^{not} paying Rs. 68-4-120-5-170%. This will attract really good Pandits to teach Hindi in our schools.

7

We must give an account of the expenditure we are now incurring for teaching Hindi in the Higher

Higher Elementary and Secondary Schools and then claim from the Government of India 60 per cent of what we now spend in this year and 50 per cent during the next year. We can also ask a grant for Library of the College and grant for the Hindi Prachar Sabha.

FINANCE DEPARTMENT.

The S.E.O. should not have forwarded copies of this office letter No.18396 dated 20th January 1955 and letter No.F.2.26/54-H-4 dated 27th December 1954 from the Govt of India to the Secretary, Hindi Prachar Sabha. He should have simply asked the Hindi Prachar Sabha to send up the information called for by this State (i.e. the details showing how they have utilised the sum of Rs.1,000/- sanctioned to them). This amount should have been drawn in quarterly instalments. In the scheme submitted to the Govt of India by this State, among other things it was proposed to give a lump sum grant of Rs.2,000/- to the Hindi Prachar Sabha. The Govt of India have sanctioned this amount. This amount is inclusive of the grant sanctioned by this State for the propaganda work.

The expenses connected with the conduct of the seminar will be met by the State and it is entirely a State enterprise, out of the provision under 55-56.

If approved, the S.E.O. will be informed as above.

There was another file dealing with the subject of holding a seminar in congo. This file as well as the other file may be put up together. I think the other file is with F.S. and F.S. has asked to append his remarks on the proposals made therein. 12/12

The S. E. O. has furnished a state-
ment of accounts with vouchers for
having incurred Rs 2,800/- towards the
Cost of the Hindi Seminar. Out of
this amount of Rs 2,800/-, Rs 1,000/-
has already been paid on 31-3-55
out of the allotment as grant to
Coorg Hindi Prachar Sabha. In para
38 of the note, it has been decided
that the balance of Rs 1,800/- may be
paid out of State Funds towards the
Cost of the Seminar and the S. E. O.

has recommended that the amount of Rs 1,800/- may be sanctioned. The head under which this expenditure could be met has not been reported by the S.E.O. and there is no allotment for this purpose in the Budget for 1955-56. There is an allotment of Rs 27,000/- under "37 Education - 9 youth welfare programme - Non-Recurring" and savings is anticipated under this head as sports materials for the Govt. College have been purchased last year. The allotment will remain unused this year.

In the circumstances, if approved, Rs 1,800/- may be sanctioned as recommended by the S.E.O. ^{the expenditure debited} and ~~deducting the expenditure~~ ^{reappropriation} to the head "F. Five year plan of Education - 2 Scheme No. III.C - Non-Recurring" as the provision of Rs 1,000/- already made under this head is not enough.

FINANCE DEPARTMENT.

Provision for the grant of Rs.1,000/- during the current year to the Coorg State Hindi Prachar Sabha has not been made under "Direct Grants to Non-Government Secondary Schools". Moreover, the debit head noted in the previous sanction order is not appropriate, inasmuch as the Sabha is not a non-Government Secondary School. The name of the Coorg District Hindi Prachar Sabha, as occurring in the original sanction order, has since been changed to Coorg State Hindi Prachar Sabha.

As the grant is subject to certain conditions, a standing order will not be regular. The grant may be sanctioned from year to year and during the current year the expenditure may be met from "37 - Five-Year Plan of Educational Development - Scheme No.III(c) Propagation of Hindi in Non-Hindi Speaking Areas - Recurring". A provision of Rs.2,000/- is included under this head towards contribution to the Hindi Pracher Sabha. Out of this, a sum of Rs.1,800/- has already been paid to the Sabha towards the expenditure incurred for the Hindi Seminar (vide paras. 57 to 60). The expenditure now proposed was not foreseen for the current year. The additional expenditure on account of the proposed payment of Rs.1,000/- to the Sabha has, therefore, to be met either by re-appropriation or by a supplementary demand. The S.O., Education has to put up the necessary proposals in due course.

It is seen from the Audit Report of the Special Officer on the accounts of the Coorg State Hindi Prachar Sabha ^{that} certain irregularities are noticed in the accounts of the Sabha, notable among which are the non-maintenance of Cash Book and the destruction of accounts, vouchers and receipt books. The Coorg State Hindi Prachar Sabha, Mercara.

AUDIT REPORT
for the years 1954-55 and 1955-56.

I audited the accounts of the Coorg State Hindi Prachar Sabha, Mercara, for the year 1954-55 and for the two ~~the~~ quarters ending 30th September 1955. Statements of receipts and expenditure are appended hereto.

2. Cash.--- No cash book is maintained. The Secretary was instructed to maintain a cash book in the following form to show day to day receipts, expenditure and balance.

Date.	Receipt No. *	Voucher No. @	Particulars.	Receipts.	Expenditure.	Balance.

Letter No. 5741/54 dated 12.7.54 from the
S.E.D. Coorg.

Subject: Five year plan - Scheme 3(c) -
Propagation of Hindi. Introduction of Hindi
Departments in Training Colleges.

1 The file with reference to the letter
dated 24.6.54 from the G. D. may kindly
be perused. Under Scheme 3(c),
propagation of Hindi, the G. D. enquire
what facilities for this purpose exist in the
Training Colleges of this State. It is suggested
in that letter that while formulating
their schemes for propagation of Hindi
under the above scheme, the Govt. may also
consider, if necessary, proposals for
either starting or strengthening Hindi Depts.
in the Training Colleges and the scheme
will be eligible for grant on the usual
basis.

2 For the ~~During~~ 1954-56 Course, there are
20 Senior and 40 Junior Basic pupil
teachers under training. Under Scheme I
(ii) (a) of the five year plan of Educational
Development, the following proposal has
been sent to the G. D. and ~~for~~ their
approval ^{obtained} for 1953-54 :-

- 1) 3 graduate teachers (including a craft
teacher) on Rs 120/- in the Scale of 100-5-120-8-200-
10-300.
- 2) 3 Trained mahils on Rs 50-2 1/2-70-3-100.
- 3) 1 peon and 1 gardener on Rs 14-1/2-20.
- 4) D.A. for all.
- 5) Contingencies Rs. 1,500.
- 6) Stipends for 80 pupils at Rs 25/- } 24,000.
each per m.

Full Complement of the staff and pupil teachers for training have not been employed in the existing training college, which receives the grant from the Centre on the usual basis and sanction of the G. D. Communicated to the S. E. O. Comy. in Jan. 1954. 2 graduate teachers without a Basic Craft teachers ~~and~~ ^{at present} ~~other staff~~ manage the training school which is called the Basic teachers training College under Scheme P. Kannada, P-T. and Drawing teachers of the C. H. School work as part-time teachers. The expenditure each year is Rs 28,800/- as provided under 37 Education. D. Special " whereas the sanctioned scheme for the training College is Rs 37,100/-. This College will be shifted to Kudige as soon building is ready.

B As required under Scheme 3(c) of the G. D. a Hindi Department could be opened for the existing training College with the following additional expenditure to be claimed from the Centre under Scheme 3(c) on the usual basis. The S. E. O. proposes in the pnc to appoint a Hindi Pandit of the Native Scale to be in charge of the Hindi Department of the existing training College to teach Hindi for ~~the~~ ^{Senior} Basic (Native) and junior Basic (Non-native) pupil teachers. This seems to be quite inadequate and therefore, if approved, a Hindi Department with a qualified Hindi lecturer may have to be ~~opened~~ ^{opened} and the scheme to open this Department ~~is~~ ^{will be} as follows:-

1) One lecturer in Hindi in the Scale of Rs 100-5-150-10-200. (Oriental title holder.)

2) One tutor in Hindi in the Scale of Rs 85-5-125.

In the Scheme, the securing expenditure is for one year. During 1954-55, the Scheme could be implemented only for about six months if Hindi Department is introduced immediately in anticipation of sanction of the Govt. of India.

Please see the expenditure statement. Under the Education Scheme No. I(ii)(a) the total expenditure estimated as approved by the Government for the Basic Training School is 37,100. But we have proposed to spend only Rs. 28,800/-. The expenditure is less because we have not entertained the full staff. If the full amount, as sanctioned by the Government, is spent their aid works out to Rs. 22,661/- for 1953-54. This is calculated at 60 per cent of the amount spent on recurring expenditure and 66 per cent of the non-recurring expenditure. The appointment of Hindi teachers is a proposal under Education Scheme No. III(c). Central contribution in respect of this scheme is 50 per cent of the recurring expenditure

and 66 per cent of the non-recurring expenditure. Since Government of India have offered to come to our aid, it is suggested that ~~extra~~ Lecturers be appointed in the Training College at Mercara, later on to be moved to Koodige. In this connection it is pointed out that Government of India had agreed to contribute for the construction of a building for the residential school with staff quarters at an estimated cost of Rs. 1,10,000/- and ^{to} Janatha College ^{at} Rs. 1,00,000/-, under Educational Scheme No. I. The Government of India in their letter dated the 21st September, 1953 asked for some specifications with regard to this building. But these specifications have not been supplied so far and therefore in their sanction order they have not included any items for construction of buildings. It is therefore suggested that necessary specifications called for by the Government of India may be supplied immediately and they be requested to sanction the amount, promised by them. The construction of a building is now going on at Koodige and therefore ~~they~~ ^{we} could easily furnish ^{to} the Government of India the information required.

 15 The G.O. of 2-10-54 have approved the proposal to open Hindi Department in the Training College under Scheme 3 (c). One post of a lecturer in Hindi (Oriental title holder) in the scale of Rs. 100-5-120-8-200-10-300 for B.V. and Rs 80-5-120-8-200-10-300 for lesser qualification has been created with effect from 1-10-54. The Special Officer for Education in consultation with the S.E.O. has suggested ^{in a note on Scheme 3 (c) that} to appoint ^{may be appointed} a person qualified to teach both Hindi and Kannada as two separate teachers for these two languages will not have sufficient work. A Kannada Vidwan or B.O.L. with Hindi Vishard Degree or a Hindi Vidwan or B.O.L. with high qualification in Kannada or a graduate with Kannada as an optional subject and with Vishard qualification in Hindi will be a suitable person and he may be given the scale fixed for trained graduates, that is, the sanctioned scale of Rs 100-5-120-8-200-10-300.

16 If approved, the Employment Officer may be requested to make necessary arrangements to furnish suitable names to the Staff Selection Board ^{which} may select one for the post. For a/cus.

Letter No. 14403/54-55 dated 16.2.55/ P.H.
from the S.E.O. Coorg

The S.E.O. States that the scale 37
Sanctioned to Shri Keshava Bhal Hindi
lecturer, Bani Training College is much
higher than ^{being Rs 80-220} those scale sanctioned
to Hindi pandits of High Schools i.e. 68-170.

The S.E.O. also mentions in the pnc that there are teachers in the High Schools with equal qualification and more service than Shri Keshava Bhat and therefore his scale should be revised to 68-170.

The G. G. in their sanctioned order of 10-9-54 have sanctioned one post of Lecturer in Hindi (Oriental title holder) in the scale of Rs 100-5-120-8-200-10-300 if he is a B. T. holder, otherwise Rs 80-5-120-8-200-10/2-220. Accordingly the Employment Officer was requested to send up list of candidates who are qualified for the post of Hindi lecturer who should be fully qualified to teach Hindi and Kannada in the Basic Training College. The list of candidates ^{was} sent to the Staff Selection Board. When the list was called for from the Employment Officer, the S.E.O. was also asked to send up names of suitable ~~non~~ departmental candidates for the above post if ^{they} have requisite qualifications. These letters to the Employment Officer and the S.E.O. ^{were} sent on 15-10-54. Besides the S.E.O. is a member of the Staff Selection Board, ~~who have~~ ^{which has} provisionally selected Shri Keshava Bhat for the post and ^{as much as} was appointed on 17-12-54 in the scale of Rs 80-220 informing him that he will be replaced when a qualified candidate holding a degree is available. At the same time the Employment Officer has been asked to send up names of qualified candidates who are degree holders, to the S.S. Board. The Employment Officer has been reminded to send up the list. In the circumstances, it seems, not necessary to revise the

Scale of pay now sanctioned with the previous approval of the G. S. but the Employment Officers may again be reminded to advertise for the post of a Hindi lecturer who is a degree holder and who can teach both Hindi and Kannada and furnish a suitable name to the S.S. Board immediately for orders.

18/2/55 -

Rs 80-220 scales of pay is prescribed for untrained graduates teachers of the Education Department. Mahiculash Kannada or Hindi pandits are eligible for 68-170 scale in the Govt. High Schools. In this particular case, a pandit who can teach both Hindi and Kannada in the Barie Training College has been selected provisionally. In view of the additional qualifications prescribed for the Hindi pandit (one should be able to teach both Kannada and Hindi) there seems to be no objection to grant Rs 80-220 scale to Sri Keshava Bhat. The only point for consideration seems to

to be that he should be replaced immediately as he is not a ~~Gr~~ trained Graduate who can teach both Hindi and Kannada as prescribed in the Scheme of the Five year plan. For order.

Draft letter to the Employment Officer to make necessary arrangements to ^{find a suitable} replace ~~Shri~~ Keshava Bhat, is put up for approval.

Letter No. 1921/55 dated 2.6.55 from the S. B. O. Coorg.

It has already been decided that Shri T. Keshawa Bhat, Hindi lecturer, Barie Training College is not qualified to get Rs 80-220 scale and as such he may be posted to some Govt. High School on Rs 68-170 scale and a suitable candidate selected and appointed for the Barie Training College. The Employ-

ment. Officer was requested to furnish the name of a graduate candidate to the vacancy. But so far he has not furnished a list of ~~qualified~~ candidates ^{having the prescribed qualifications.} Banu Training College will require the following teachers with suitable qualifications including a lecturer in Hindi :-

- 1) One lecturer in Hindi in the scale of Rs 100-300.
- 2) One Music Teacher in the scale of Rs 68-170.
- 3) One Craft Teacher in the scale of Rs 68-170.
- 4) One P.T. and games teacher .. Rs 68-170.

It seems better to advertise for these posts specifying the qualifications required and the pay scales of the posts, in Deccan Herald and "ನವ ವರದಿ" (Mangalore), so that those already in service ^{and who} ~~but~~ desire for better scales of pay with past experience may also apply. The Employment Exchange cannot secure the services of such candidates as their list contains only unemployed raw candidates. In case a suitable candidate is not secured after advertising in the papers, then the scale of pay of Shri Keshava Bhat may be revised to 68-170 and asked ^{he may be asked} ~~higher~~ to continue as in the Basic Training College. If a suitable candidate is secured, ^{by} Shri Bhat may be posted to Nafoklu High School as proposed by the S.E.O. in the pnc.

Sub: Five Year Plan - Scheme 3(c) - Propagation of Hindi.
Introducation of Hindi Departments in Training Colleges.

.....

Sir,

I am directed to say that with a view to encouraging the propagation and development of Hindi, the desirability of having an adequate number of trained teachers in Hindi hardly needs any emphasis. I am, therefore, to enquire what facilities for this purpose exist in the Training Colleges in the State.

2. I am also to suggest that while formulating their schemes for propagation of Hindi under Scheme No.3(c) mentioned in this Ministry's letters No.F.2-20/51-D.1, of 11.2.52 and F.3-10/53-D.1, of 12.5.53, the State Governments may also consider, if necessary, proposals for either starting or strengthening Hindi Departments in the Training Colleges.

2. The schemes will be eligible for grant on the usual basis.

Yours faithfully,

SUBJECT:- FIVE YEAR PLAN - SCHEME 3(C) - PROPAGATION OF HINDI
INTRODUCTION OF HINDI DEPARTMENTS IN TRAINING COLLEGES.

.....

Sir,

With reference to your endorsement No. A. 6. 5271/D.Dis. 208/54, dated 3-7-1954 on the subject mentioned above I furnish below the information called for :-

There is no regular Hindi Instructor borne on the Training School establishment to teach Hindi to the Pupil teachers. However arrangement is made to give elementary knowledge of Hindi to the pupil teachers by requisitioning the services of the Hindi teacher attached to the High School, for two periods in a week. The time allotted for the instruction of Hindi to them it is needless to point out, is too inadequate for imparting a sound knowledge of that language to them.

According to the Syllabus framed by Nai Talim Sangh, the Senior Basic trained teachers are expected to teach Hindi to (I Form II Form, and III Form), Grades VI to VIII and the knowledge expected of them should be equivalent to Rashtra Basha. The Junior Basic Trained teachers are expected to have a working knowledge of Hindi.

In view of the importance Hindi has assumed in the school curriculum, it is suggested that a whole time Hindi Instructor may be appointed to the Training School, so that the propagation and the development of Hindi may be accelerated. If a Hindi Pandit is appointed he may be given the scales of pay prescribed for Matrics or non-matrics according to their educational qualification provided they have passed Rashtra Basha.

Yours faithfully,

Dear Sir,

This is to bring to your kind notice the following few lines for information and needful action.

On 12th July, 1955 I appeared before the Staff Selection Board for an interview which met under the Chairmanship of your good self, to select a candidate for the post of Hindi cum Kannada Lecturer at the Basic Training College Kudige.

Six candidates were interviewed including myself. After the interview of all was over, your ^{was} kind enough to call me again and gave me a sort of assurance stating that that I may be appointed on condition that I would serve for at least five years, for which I agreed subsequently the proceedings of the Staff Selection Board meeting was published in the Coorg Government Gazette dated 1-8-55 and I have been placed first.

Though I knew this, I did not receive any communication from you hence I again came over there and called on you in this connection. You were kind enough to say that I would be ~~intimated~~ ^{intimated} within a few days. As per the tradition and implication, As I am placed first in the Gazette, I am every day expecting the order from you. At least now I would be very highly obliged if your goodself would kind enough to intimate me as to when can I expect orders from your end.

Thanking you,

Yours sincerely,
N. D. Krishnamurthy
